

CASE STUDY

MirrorLite

Reflecting your client's needs

Who uses MirrorLite and how? The new website for the glassless mirror manufacturer now targets 5 key client sectors and showcases real examples from a roster of famous brands who rely on MirrorLite for the high luminosity, flexibility and durability that only genuine MirrorLite can deliver.

I want my MirrorLite.

Ultimately it's about giving client's what they want. The new site features over 150 MirrorLite products in a logical interface, with online ordering and prompt delivery. There is a wide range of real projects to view and clients may quickly contact MirrorLite for custom orders.

"Nothing but excellent ratings from everyone who has visited the new website."
